

# COSTA CRUISING

**Kids Sail FREE\*!**

**Available on Select 2009 European Sailings!**

Cruising Italian Style, family style, means you will embrace Europe as part of a big extended family with a world of new friends and experiences.

Summertime is the ideal time for a Costa family vacation. Kids love adventure. And they'll enjoy the *love, laughter and la dolce vita* as much as you do, because we'll keep them happy and entertained, while you enjoy some **private** time. And the best part? They sail FREE\*!

This special offer features Mediterranean itineraries with homeports in Rome, Italy and Barcelona, Spain! In Rome, you will visit the Vatican and Michelangelo's masterpiece. In Barcelona, you will see the masterpieces of Gaudi, Picasso or Miro. Additional ports-of-call on these very popular and unique itineraries include Santorini and Mykonos, Greece; Heraklion, Crete; Marseille, France; Naples, Italy; and Palma de Mallorca, Spain.

*Love, laughter and la dolce vita* – that Italian zest for life – is as much fun for your kids as it is for you. And with kids sailing FREE\*, a Costa cruise is an excellent value compared to a land-based European vacation.
